“ *I remember Zach at SWC school, participating in our circus class after school...He worked and worked and worked, finally learning how to ride a unicycle. He was the only one that learned it. So proud of his hard work. He had a wonderful sense of humor and he will be missed by many, I'm sure.*

“ *I'll never forget sitting next to Zach in ms. Lanas class at the alternative school. He was a funny guy. I remember one day he came to school in leather chaps and a cowboy hat, so I asked him if I could wear them because it made me feel like a cowgirl :p sure enough, zach stips down and let a girl wear his manly attire. Ill never forget having so much trouble trying to figure out those chaps and zach acting like it was common knowledge. I still have a picture of me and him from that day (: Zach had a kind heart and its crazy that he had to leave us all so soon. I pray for peace and comfort for all his friends and family.*
