“ *My heart goes out to Zach's family and friends. I didn't personally know Zach, but my daughter Alyssa went to school with him and she always spoke so highly of him as a young man. She said he was always polite and respectful and funny. It saddens me that his life was cut short. But from what I've seen Zach was very much loved and always lived life to the fullest. Please let it be a comfort to know that you will see Zach again in Heaven. Prayers of comfort and peace from our family to yours. Rest in peace Zachary.*

“ Zach, Zach, he's a Leggo Maniac. I used to sing that to you when you were just a little guy getting on my bus to go to school. Such a beautiful boy. I called you leggo forever and then we moved on to Link for linken logs and Tink for tinker toys. You are Colcord and our lives were made better for having known you. I love you and miss you very much. Rest In Peace.
