“ Dear Family: You don't know me but my mom was Esther Herley from the Gardens Assisted Living Facility here in Benton vill. She spoke often of your Mom, and I recognized it in the paper because of the most unusual name--Zenobia. She hadn't mentioned her in quite awhile so i did call Kim at the Gardens and she said your Mom hadn't been there for awhile. I don't know how close My Mom and your's were in connection with their acquaintance at the Gardens but I just wanted to let you know we had sort of a "connection" through our Moms. My Mom passed away in January just one week short of her 95 birthday--I see our Mom's had very close birth dates too. Mom's was FEb 12, 1912. I still miss her every single day but was SO GLAD to have had her here with me for the past 5 years and also to have had her have a full life up to nearly 95!!!
My sincerest sympathy to you in your loss.

Sincerely,

Dianne Kent

“ How can I find the right words to express my sorrow for Mrs. Wimberely. She was such a dear Lady. I remember the Twinkle in her Eye at her Birthday Party and the little peck on my Cheek when we parted. She is in our Father's Arms now. Love you all very much.
